

In-Depth Natal Chart Reading – \$525usd

Written Reading - includes follow-up phone call

Best suited for new clients, this is the most comprehensive reading I offer. I look at the whole of your natal chart and the larger story of your destiny - your natural strengths, challenges, relationships, career, health, major life themes, and the patterns that unfold throughout your life. Depending on what is most relevant to you, may be incorporated where relevant **progressions, transits, synastry, medical astrology, and specific dates or periods of importance** “the larger architecture of your life.”

Progression & Transit Reading – \$225usd

1-Hour Phone Consultation

A predictive reading focused on where you are **right now** and what is unfolding ahead. We'll look closely at your current progressions and transits, the larger cycles you are moving through, and the timing of upcoming changes, opportunities, or challenges. This is best for returning clients who already have a strong understanding of their natal chart.

Daily / Specific Date Reading – \$125usd

30-Minute Phone Consultation

A focused predictive reading for specific questions, dates, or short periods of time – almost like a tarot reading, but through astrology.

Ideal for **important meetings, travel, relationships, career decisions, launches, appointments, or choosing between particular dates**. We can look at a specific day, week, or month and explore the astrological conditions surrounding your questions.

Specialized Readings – Starting at \$225usd

Solar Return · Synastry · Relationship · Medical · Electional & Other Specialized Readings

For readings focused on a particular area – such as a **Solar Return, synastry/relationship analysis, medical astrology, or another specialized request** – I offer a complimentary **15-minute consultation** beforehand.

This allows me to understand exactly what you would like to explore and determine the depth of the reading required. **Price determined Upon Consultation.**
